Hi Ken, Scott, and Carl,

Please see the attached Word document of Version 4 ("v4-TJR") with some edits I have provided that may address the requests for further clarification of EPA's general conformity comments. Please do edit as needed!

Thanks!

Tim

Scot and Tim,

I cleaned up Kate's version... I had to rewrite the Gen Conf review period discussion it had lost its meaning... Kate asked for a reference for the definition of stationary source..I couldn't find one easily was hoping for some help... thanks Ken
